Re: Slidell, LA Full Service  
Television Station, Ch 54

Dear Ms. Searcy:

I recently filed for Channel 54 in Slidell, LA for a Full Service Television Station, with a "A" cut of date of July 31, 1990.

After I had already sent the application in, I found some copies of EXHIBIT E3. I am not sure if these are extra copies, or if I failed to include them in with my application.

As a safety measure, I am sending (attached) an original and two copies of EXHIBIT E3 of my application. If I failed to include it in my application, I would like for this to serve as an amendment to my application to include EXHIBIT E3. If I did, in fact, attach EXHIBIT E3 in my original application, just disregard this amendment.

If you have any questions feel free to contact me at any time.

Trudy Mitchell/ Applicant
